

Project Type: Industrial

New Construction

Project: Frito-Lay Distribution Center
Client: Howland Development
Location: Wilmington, MA
Size: 50,000 sq.ft.

Project Description:

This project required development of a 50,000 sq. ft. Northeast Region Distribution Center for a leading snack food company.

The two story, pre-engineered ribbed metal panel warehouse has covered loading docks for salespeople to load trucks and a single story, split-faced concrete block structure for various office and support functions.

The site was designed to efficiently accommodate intensive vehicular traffic.
