

Project Type: Industrial/Warehouse

New Construction

Project: MNB Vending Services
Client: New England Restaraunt Group
Location: Foxboro, MA
Size: 12,000 SF

Project Description:

This project consisted of the design and development of a pre-engineered office/warehouse building, approximately 12,000 sq. ft. for a product distribution company. The program included the development of concrete block and steel framed entry feature; masonry and metal panel exterior; interior space planning for offices; warehouse; mezzanine storage; and loading/shipping facilities.
