

# Project Type: Industrial/Warehouse

Tenant Improvements

**Project:** Riverview Commerce Center  
**Client:** Equity Industrial Partners  
**Location:** Billerica, MA  
**Size:** 560,000 SF

## Project Description:

The on-going work for this project consists of the design, re-development and renovation of portions of an existing two story 560,000 sq. ft. former airplane hanger/industrial/manufacturing building. The facility has been converted to a large company, multi-tenant building. The program included several one story glass entry features for tenants, sidewalk and planting improvements, exterior facade modification addition of loading docks, utility service and mechanical space installations.
